

July 2014 Bar Examination Pass List

The following is a list of names of applicants who passed the July 2014 Georgia Bar Examination. This list is being offered as a service to applicants by the Board of Bar Examiners and is unofficial even though accurate. All applicants who took the examination MUST rely on the official notification from the Office of Bar Admissions posted to the applicant's Home Page.

*To be eligible for admission to practice, an applicant must have passed the Bar Examination and passed the Multistate Professional Responsibility Examination (MPRE). Those applicants whose names are preceded by an asterisk have not met all requirements and are not yet eligible for admission.

Please do not call the Office of Bar Admissions regarding results before Monday, October 27, 2014. There will be no information available by phone or email before that date.
