

July 2018 Georgia Bar Examination Pass List

The following is a list of names of applicants who passed the July 2018 Georgia Bar Examination. This is an accurate but unofficial list offered as a service to applicants by the Board of Bar Examiners and should not be relied upon as official notification of an applicant's status. Applicants who took the examination MUST rely on the official notification from the Office of Bar Admissions posted to the applicant's User Home Page.

To be eligible for admission to practice, an applicant must have passed the Bar Examination and passed the Multistate Professional Responsibility Examination (MPRE). Those applicants whose names are preceded by an asterisk (*) have not met all requirements and are not yet eligible for admission.
