

October 2020 Georgia Bar Examination Pass List

The following is a list of names of applicants who passed the October 2020 Georgia Bar Examination. This is an accurate but unofficial list offered as a service to applicants by the Board of Bar Examiners and should not be relied upon as official notification of an applicant's status. Applicants who took the examination MUST rely on the official notification from the Office of Bar Admissions posted to the applicant's User Home Page.

To be eligible for admission to the practice of law in Georgia, an applicant must have passed the Bar Examination and received an acceptable score of 75 or higher on the Multistate Professional Responsibility Examination (MPRE). Those applicants whose names are preceded by an asterisk (*) have not met all requirements and are not currently eligible for admission to practice.
