

Taking the Bar Exam on a Laptop

Almost all applicants find that it is to their advantage to use a laptop to type their answers to the MPT and Georgia essay sections of the Bar Exam. Applicants who choose to handwrite instead of registering a laptop must pay a \$105 handwriting fee.

July Bar Exam: The window to register a laptop for each July's bar exam will open in early June and close on July 1. We will post the exact opening date [here](#) and on the "Latest News" section of our website. Applicants who have registered to take the exam by June 1 will receive an email from noreply@ExamSoft.com on the first day of the laptop registration period with laptop registration instructions.

February Bar Exam: The window to register a laptop for each February's bar exam will open in early January and close on February 1. We will post the exact opening date [here](#) and on the "Latest News" section of our website. Applicants who have registered to take the exam by January 1 will receive an email from noreply@ExamSoft.com on the first day of the laptop registration period with laptop registration instructions.
